Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Thursday 30 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mainly dry on Hogmanay, some rain spreading north later.

This Evening and Tonight:
Mainly dry with clear spells leading to a touch of frost in sheltered glens. Cloud thickening from the south after midnight with rain perhaps moving up into Skye and Lochalsh and the Uists later. Minimum temperature 2 deg C (36 deg F).

Friday:
Mainly dry with bright spells in the north. Cloudier in south with outbreaks of rain possible for Uist, southern Skye and Lochalsh. Outbreaks of rain spreading north during the evening. Maximum temperature 9 deg C (48 deg F).

Outlook for Saturday to Monday:
Saturday mild, but not feeling so in strong winds that bring showers or longer periods of rain. Sunshine, showers for Sunday. Rain then showers Monday, these perhaps wintry later.
